ASPIRE ACADEMY

Online/remote learning expectations

Achievement

- Be online and on time for my remote lesson
- Submit all my learning tasks as required by the teacher
- Check my email and MyMaths everyday (secondary students)
- Communicate with my teacher regularly

Respect

- Only turn my microphone on when I am asked to speak or when responding to questions.
- Make sure that I am dressed appropriately for learning (something you would wear for a non-uniform day)
- Keep my online chat focused on the learning. Ensure chat is respectful of all participants.
- Keep my mobile phone off and away from me whilst I am learning online.

Commitment

- I will complete all online and offline learning tasks
- If I have technical issues I am going to email my teacher and find out what I missed.
- I will focus during online lessons. I won't be chatting, gaming or checking social media while trying to do my schoolwork.

Thrive

- Contribute to discussions
- Offer support and assistance to my peers.
- Remember to be patient with my family/carers; they may be feeling anxious too.
- Join in and contribute to lessons
- Be patient with my teachers as online teaching is new to them as well.
- Be patient but also alert the teacher to ways things may be improved.

There must be no filming, recording or sharing content (you must not take screenshots or record staff members presenting information to you)

You should inform all members of your household that you will be joining a video conference and that they can be seen (if your camera is on) and heard (if your mic is on)
