

Aspire Academy PE and Sport Premium Spend Report 2019-20

In April 2013, the Government announced new funding of £150 million for physical education (PE) and sport. This funding should be used to improve the quality and breadth of PE and sport provision. Funding will be allocated to all maintained and state-funded schools with primary phase pupils, including: primary, middle, special and non-maintained special schools, academies and pupil referral units from 1 September 2013. Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

Aspire Academy has sought to utilise these funds to make additional and sustainable improvements to the quality of PE and sport we offer.

We have aimed to address five key indicators identified by the Government:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Plan for PE & Sport Premium spend (Sept 2019– August 2020) based on allocated income of £16,000

Strategy/Intervention	Predicted Cost	Objective
Swimming	£800	All pupils will increase in their confidence in the water. All Y6 leavers will be able to swim at least 25m.
<u>Recreation for Life programme</u>		
1. Baskervilles	£1000	1. All pupils engage in the activity: pupils fine control of their own bodies; pupils cross body-midline development is increased; competence in brain-gym at school and the positive impact this has on their other learning demonstrated
2. Cycling	£500	2. Older pupils learn to maintain their own bicycles Younger pupils learn to ride a bike
3. Team-building activities with Canal Ministries	£300	3. Collaboration & team-working improves. All pupils able to engage in each role in order to contribute to the safe 'sailing' of the barge.
4. Dance/drama course at The Egg theatre	£1000	4. Pupils' are encouraged to try new activity and are willing to 'have a go' even when they lack confidence or are very negative about it.
Individual sports mentoring interventions	£15,000	Pupils learn to use sport and physical activity as a strategy and tool in the management of their own behaviour and strong emotions. Pupils' serious incidents and exclusion rates reduce as they learn to manage their own feelings more effectively.
Active maths programme	£500	Pupils' levels of positive engagement in maths tasks is promoted through physical activities. Teachers have access to a scheme of work to ensure progression and a more confident approach to planning. Improvements in maths attainment overall.
SEMH-tailored Sports Day equipment	£200	Pupils will manage minor levels of competition positively. All pupils will have fun and manage a very small level of competition.
Daily activities		
• Morning run	£100	Numbers participating positively or are active in supporting and encouraging their peers. Happier playtimes - number and severity of incidents reduced
• Equipment to facilitate collaborative play at playtimes	£500	

Improving staff expertise and confidence:- <ul style="list-style-type: none"> • Second MOS Forest School trained 	£1500	With the doubling in numbers within KS1&2 a second trained MOS is needed for all pupils are to have access to Forest School weekly. Orienteering is introduced into the Aspire offer
<ul style="list-style-type: none"> • MOS trained in “Orienteering for Kids” 	£1000	
To maintain PE equipment provision and re-stock as necessary. NB: as part of their particular needs, replacement costs are higher than might usually be anticipated	£500	Good quality and condition equipment is available for PE lessons and for collaborative play and play therapy.
Total Cost	22,900	

Total spend at this point: £22,900 (additional over allocation utilises carry-forward from 2018/19)

Notes:-

- **Competition is a major challenge for our pupils whose self-image tends to be poor and self-esteem low. The balance between competition and collaboration is extremely hard for our pupils and they either pursue competition too strongly for their negative self-image on themselves increases. This is not a helpful KI for our pupils in this setting.**
- **Competition against themselves to improve their personal performance in the morning run or at swimming is positive. The use of this grant to ease access to these targets has been positive in enabling all our pupils to participate in these challenges.**
